

Transfer of Ownership of Stormwater General Permit for Construction Site

Permit # SO3-00__ __ __ __

WAC 173.226.210 Transfer of permit coverage. Coverage under a general permit is automatically transferred to a new discharger if:

- (1) A written, signed agreement between the old and new discharger containing a specific date for transfer of permit responsibility, coverage, and liability is submitted to the director; and
- (2) The director does not notify the old and new discharger of the director's intent to revoke coverage under the general permit. If this notice is not given, the transfer is effective on the date specified in the agreement mentioned in subsection (1) of this section.

Answer the following questions before proceeding with the transfer request. Permit will not be transferred if current owner is out of compliance with the permit.

Yes **No**

☐☐

Has any portion of the site been sold to other developers? If yes, explain which areas are under new ownership. Provide a site map showing areas sold and areas you own.

(Attach sheet if additional explanation necessary.)

☐☐

Have any areas of the site been stabilized (completed)? If yes, explain. Provide a site map showing areas stabilized.

☐☐

Is the construction site currently out of compliance with the stormwater permit for non-payment of permit fees? Fee account must be current before transfer can occur. Verify by contacting Bev Poston at 360.407.6425. If yes, explain:
